\* If you are using your own instructors they will be asked to produce their relevant qualifications before being allowed to use our facilities and equipment on a self instructed basis.

\*\* Nine Ashes consider Crate stacking to be a climbing activity due to the need to use the skills of belaying therefore only those with a relevant permit will be allowed to hire our equipment.

\*\*\* Pedal Karts and Traverse – leaders running these sessions need to have a safety/familiarisation session with Duty Warden before use.
